## CRIMPING TOOLS

Wheeler-Rex introduces a line of crimping tools specifically designed to help install better connections on PEX potable water or radiant heating systems. The full circle crimp eliminates the unsightly appearance of tool marks and distortion of crimped rings.

### 89202 1/2" PEX RING CRIMPER

A PEX ring crimper for 1/2". Crimps conform to ASTM specifications and is supplied with a go/no-go gage. Complete with a soft, comfortable grip. OAL 12"

Shipping Weight.....3 lbs. (1.5kg)

### 89203 3/4" PEX RING CRIMPER

A PEX ring crimper for 3/4". Crimps conform to ASTM specifications and is supplied with a go/no-go gage. Complete with a soft, comfortable grip. OAL 12"

Shipping Weight.....3 lbs. (1.5kg)

### 89204 1" PEX RING CRIMPER

A PEX ring crimper for 1". Crimps conform to ASTM specifications and is supplied with a go/no-go gage. Complete with a soft, comfortable grip and long handles for extra leverage. OAL 19"

Shipping Weight..... 5 lbs. (2.3kg)

### 89206 3/4" AND 1/2" PEX COMBO CRIMPER

A combination PEX ring crimper for 3/4" and 1/2". Crimps conform to ASTM specifications and is supplied with a go / no-go gage. Complete with a soft, comfortable grip and long handles for extra leverage. OAL 16"

Shipping Weight..... 5 lbs. (2.3kg)

### STAINLESS CLAMP PINCHER RATCHET TOOL

The PEX Stainless Clamp Pincher Ratchet Tool with a full cycle mechanism assures consistent water tight crimps, eliminating the need for a crimp gauge. Made from heat treated steel for strength and durability. Its compact design and lightweight frame allow this tool to be extremely versatile when used in confined areas.

#### 89250 Stainless Clamp Pincher

Our PEX Stainless Clamp Pincher ratchet tool can be used for 3/8", 1/2", 3/4" and 1". Crimps conform to ASTM F2098 specifications. OAL 11"

Shipping Weight..... 1 lb. (.5kg)

### PEX RING REMOVER

This unique tool is designed for fitting recovery without damaging the fittings. The high mechanical advantage makes shearing of rings much easier and faster than sawing off a crimped ring. Just two cuts on the ring allow the user to reclaim the fitting. Saves time and money!!

89210 1/2"-1" Ring Remover.....1.5 lbs. (.7kg)

## CLOSE QUARTERS CRIMP TOOLS

A unique tool designed for 1/2" and 3/4" pipe sizes. These tools provide a toggle action which helps to assure a complete crimp cycle. Light weight with a comfort fit handle, it's high mechanical action allows one hand crimping to ASTM specifications. OAL 12"

89215 1/2" Close Quarters Crimp Tool ..... 2 lbs.

89216 3/4" Close Quarters Crimp Tool ..... 2 lbs.

## 89217 CLAMP CRIMPER

The close quarters tool crimps rings to ASTM F-1087 on 3/8", 1/2", 3/4", and 1" pipe. A wrench is used to torque the bolts down until the gap is eliminated. Convenient 1" and 3/4" on one side, flip over and 1/2" and 3/8" on the reverse. Complete with a gage to assure crimps are to specifications. OAL 3 1/2"

Weight..... 1.5 lbs.

## 89211 CLAMP REMOVAL TOOL

This unique tool allows fitting recovery with an effortless torquing action. Apply the socket to a "T" bar or socket wrench and place over the pinched clamp. By turning 90 degrees in a clockwise action and then counter-clockwise the clamp is sheared making fitting recovery quick and easy. Remove all clamps 3/8", 1/2", 5/8", 3/4" and 1" with ONE tool. Wrench nut supplied.

Weight..... 2 lbs.

## 89220 CRIMP KIT

A 1" Crimp Tool with interchangeable die inserts. Kit comes with 1/2", 3/4" and 1" inserts in a convenient carrying case with a crimp gage. Optional 3/8" and 5/8" inserts are available. Die inserts are easily changed without tools. No calibration procedure is required and all crimps conform to ASTM F-1807 specifications. Kit includes the 89210 Ring Remover.

Weight..... 8.5 lbs.
